

Minutes from the October 27 HVG Booster Board Meeting

Char called the meeting to order. Those in attendance included Char Izyk, Maggie Bennett, Suzi Mulrooney, Keith North, Sharyn Mastel, Heidi Smart, Stephanie Cologie, Sophia Stevens, Casey Bryan, Heather Foltz, Rick Ryan, Lou Ross, and Kim Hym.

Heidi motioned and Keith 2nd to accept the minutes from the last meeting as sent online to all members.

Girls Team update: Sharyn M gave an update on the girls' team. 4 new girls have joined the team. 3 will be level 5 and 1 new level 4. Some 4s may be moved up to level 5. Coaches are in the process of making decisions.

Boys' Team update: Heidi noted that the boys' state camp hosted at HVGC was a success. Thanks to the girls' team for their cooperation with their meet set up following the camp on Saturday.

Scrip Update: Anne Genders sent an email to Char as an update on scrip. Paperwork has been submitted for the new scrip company. Packets will be placed in everybody's mailbox. We will be switching to the new company completely. Please understand that we cannot order from both companies because shipping costs are too expensive. The reason to switch companies is because if we order enough we could get reduced shipping with the new company. Also there are more local companies on this new one than on the old one. We understand that certain companies may have different % values but in general it should be a better company overall. So please understand we cannot order from both. Anne will look into doing one special order in December from the old company for the holidays. Please watch the board and email for notification about this.

Fundraising. Suzy is looking about a date to donate at Bob Evans next. Max and Ermas has not sent a check so there is no update on the amount from that evening. Applebee's has offered another date to us. She will check into it.

Magical Night of Giving is Nov. 14. We will need 12 people to work. Holiday Happenings and the dance team will be at the mall performing that day. Volunteers can contact Char. We are asked to collect money and give people coupon books. This is a fundraiser for the general fund. Last year we made approximately \$500.

Treasurers Report: Maggie updated us on the taxes. 2007 taxes need to be resubmitted due to using the wrong form. Taxes are fine just need to be done on the correct form. It is being taken care of.

Receipts for 2009-10 have all been turned in. Taxes are being worked on now.

Old Business:

General meeting for the boosters is Nov. 8 at 6:30. This is open to all Booster Club members.

The issue of Dick's personal cell phone being used for gym use was brought to the table again. Again it was discussed. The budget is very tight this year. Board will discuss this with Mike.

Company Sponsorships will go into the general funds. Please see Char for the forms. It is important all forms be signed out so a log can be kept of all potential sponsors.

NEW BUSINESS

Char has emailed a form to all members for those interested in working the SODEXO events. It is important that you read, sign and return this forms if you want to work or continue working these events.

Christmas sitting – A facility is still trying to be located. It was suggested we discuss this with Miss Kathy. More details are needed before a decision can be made to do this.

Open gym: Mike approved for the boosters to sell concession items during open gyms on Friday nights. Casey will be organizing and running this for the boosters. Volunteers will be needed to work Friday nights. Please contact her or sign the sheet in the viewing area if you can help.

Next meeting will **be Wed. Dec. 1 at 6:00 p.m.** because the 4th Wed in November is the night before Thanksgiving.
