Dear Friend of Youth Sports,

An exciting event is coming soon to Central Ohio. April 15-17, 2011, the Men's Junior Olympic Region 5 Gymnastics Meet will be held at St. John Arena at The Ohio State University in conjunction with the NCAA Men's Gymnastics Championships. The JO Region 5 Gymnastics Meet will bring over 50 teams from the five state region – Ohio, Michigan, Kentucky, Indiana & Illinois – with over 1,200 gymnasts and family members in attendance. At this event young men will qualify to go to the National competition to be held in Long Beach, California in May.

The opportunity to host this event was just recently presented to the Hocking Valley Gymnastics Boosters, a non-profit 501(c)(3) organization. As the premier gym in Central Ohio for JO Men's Gymnastics, we were honored to be asked and are up to the challenge of hosting such a prestigious event.

There are many responsibilities in running such an event, including producing the event programs, providing lodging for visiting judges, feeding judges & visiting coaches during competition sessions and supporting the region by providing the staff to run the event. These are major financial and volunteer responsibilities for our small booster organization. Responsibilities we are respectfully requesting your assistance at accomplishing.

Would your company be willing to sponsor the JO Region 5 Championships in any way? This money would help our organization pay for the pre-meet and at-meet expenses. We have many levels of sponsorship to accommodate your company's commitment needs. Please see attached for sponsor level details.

Thank you in advance for your consideration. It is support from companies like yours that makes the sport of gymnastics available to a larger population of youth.

Should you have any questions, we can be reached at [HVGBoosters@gmail.com](mailto:HVGBoosters@gmail.com).

Best regards,
